

# Notice of Future Changes to NCEES Exams

By Tim Miller, P.E., Director of Examination Services

## April 2015 Exam Changes

- **Structural Engineering (SE) 16-hour** — The SE 16-hour exam will have revised design standards starting in April 2015.
- **PE Civil** — The PE Civil exam will have revised specifications starting in April 2015. There will also be new design standards for the Civil Construction, Geotechnical, Structural, and Transportation modules starting in April 2015.
- **PE Agricultural and Biological Engineering** — The PE Agricultural and Biological Engineering exam will have new specifications starting in April 2015. As a reminder, the PE Agricultural exam will **not** be administered in October 2014. It has been revised and renamed the PE Agricultural and Biological Engineering exam and will be administered starting in April 2015 and in every spring administration thereafter.

## October 2014 Exam Changes

As a reminder, the following changes are in place for the October 2014 exam administration.

- **PE Petroleum** — The PE Petroleum exam will have revised specifications starting in October 2014. The specifications are posted on the NCEES website.

## October 2014 NCEES Registration Deadlines

- **Fall 2014 Exam Dates** — The fall exams will be administered on **October 24 and 25, 2014**. The PS and PE exams and the Vertical Forces component of the SE exam will be administered only on Friday, October 24. The Lateral Forces component of the SE exam will be administered only on Saturday, October 25.
- **Fall 2014 Registration** — Registration for the fall exams will open on **June 16, 2014**, and close for examinees at 3:00 p.m. eastern time on **August 28, 2014**. The deadline for boards/testing services to mark candidates approved and confirm shipping information is 3:00 p.m. eastern time on **September 11, 2014**. To meet the fulfillment and shipping requirements, we cannot add candidates after this time.
- **Special Accommodations** — All requests for testing accommodations must be submitted through the NCEES E3 system by the registration deadline of **August 28**. These include accommodations for ADA and religious reasons and for active military service. More information about special accommodations is posted on the NCEES website.

April 23, 2014

*The National Council of Examiners for Engineering and Surveying is a nonprofit organization made up of engineering and surveying licensing boards from all U.S. states, the District of Columbia, Guam, Puerto Rico, and the U.S. Virgin Islands. Since its founding in 1920, NCEES has been committed to advancing licensure for engineers and surveyors in order to protect the health, safety, and welfare of the American public.*

*NCEES helps its member licensing boards carry out their duties to regulate the professions of engineering and surveying. It develops best-practice models for state licensure laws and regulations and promotes uniformity among the states. It develops and administers the exams used for engineering and surveying licensure throughout the country. It also provides services to help licensed engineers and surveyors practice their professions in other U.S. states and territories.*
